Hi,

Would you please share this information with your constituents? People should know and understand what is going on.

REFORM Los Angeles Animal Shelter System
We want a World Class Animal Shelter

LAAS has failed our city, taxpayers and Animals:

- Failure to address the thousands of stray animals roaming the streets and being killed

- Failure to enforce backyard breeding laws

- Failure to enforce department policies regarding mandatory spay/neuter regulations

- Failure to use over \$400,000 in spay/neuter voucher funds saying it wasn't needed

- Failure to establish a pet education community outreach program (part of her job description)

Walking Protest in front of the Mayor's House.

Please share info and inform us of how many people you can confirm to walk the line.
